**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want net neutrality and competition. Competition is key to healthy capitalism.

At my home location in one of the biggest cities on the planet, San Francisco, I used to only have 2 options for high speed internet. One of those options was hardly reliable. It wasn't until a small competitor started providing services to my area that I was able to get fast, reliable and affordable internet.
